<p>Welcome to Warwick Parc. This home checks every box for those looking to enhance a way of life. If there's such a such thing as a Hybrid Home, this is it. Enjoy the many modern bright aspects recently added, coupled with a grand style of resort living in a traditional sense. This home was recently designed to offer a perfect feeling suited to whatever area youâ??re sitting or standing in at that very moment. Lots of recent updates and added important features assures the new owner that life will be stress free and every day will be like a vacation. Not one penny was ever spared on this gem and itâ??s clearly the nicest home in the area at this price. Enjoy your super quiet romantic suite tucked away overlooking a spectacular outdoor oasis. Or, spend time entertaining, cooking or simply being tranquil out back where the world is yours. Easily host parties for anywhere between 1 or 100 guests and enjoy the abundant living area outdoors. A top-end professional theater is another option for some and will always be ready. Most of the bedrooms have a feel as if it's a private suite where friends and family could actually hideaway if they choose. The fresh modern bright updated kitchen could be a set for a cooking show if you wanted to start your own program. With an outdoor area like this you could literally go months without ever going inside. This floor plan could possibly hold a record for the most living areas ever designed in one home, and that doesn't even count if you like spending productive time in any of the 4 garage spaces. Recent important additions include 2 HVAC's, Roof, Whole Home Generator, pool equipment, flooring and a number of other important components. Living here puts you close to everything yet just far enough from hustle and bustle. We hope youâ??ll get a chance to see this for yourself and trust youâ??ll be glad you did. Please allow 1 hr notice.</p> <p><i>Courtesy of JPAR Dallas</i></p>

About RPR (Realtors Property Resource)

- Realtors Property Resource® is a wholly owned subsidiary of the National Association REALTORS®.
- RPR offers comprehensive data – including a nationwide database of 164 million properties – as well as powerful analytics and dynamic reports exclusively for members of the NAR.
- RPR's focus is giving residential and commercial real estate practitioners, brokers, and MLS and Association staff the tools they need to serve their clients.
- This report has been provided to you by a member of the NAR.

About RPR's Data

RPR generates and compiles real estate and other data from a vast array of sources. The data contained in your report includes some or all of the following:

- **Listing data** from our partner MLSs and CIEs, and related calculations, like estimated value for a property or median sales price for a local market.
- **Public records data** including tax, assessment, and deed information. Foreclosure and distressed data from public records.
- **Market conditions and forecasts** based on listing and public records data.
- **Census and employment data** from the U.S. Census and the U.S. Bureau of Labor Statistics.
- **Demographics and trends data** from Esri. The data in commercial and economic reports includes Tapestry Segmentation, which classifies U.S. residential neighborhoods into unique market segments based on socioeconomic and demographic characteristics.
- **Business data** including consumer expenditures, commercial market potential, retail marketplace, SIC and NAICS business information, and banking potential data from Esri.
- **School data and reviews** from Niche.
- **Specialty data sets** such as walkability scores, traffic counts and flood zones.

Update Frequency

- Listings and public records data are updated on a continuous basis.
- Charts and statistics calculated from listing and public records data are refreshed monthly.
- Other data sets range from daily to annual updates.
