Think two pergolas, a built-in grill that makes every weekend feel like a BBQ celebration, and a self-sustaining koi pond thatâ??s basically its own zen garden. And when the sun goes down? Permanent Jellyfish lighting turns the whole space into an illuminated oasis, while the projector screen sets the scene for outdoor movie nights under the stars. And let's talk about that landscaping â?? every inch is meticulously crafted for a visual punch, from lush greenery to picture-perfect flowers. With a grassy area for play, lounging, or just taking it all in, this backyard doesnâ??t just raise the bar â?? it sets a new standard. East facing front door! Now, inside? Itâ??s every bit as impressive. 5 bedrooms, 3.5 baths, and more than 4,200 square feet to stretch out. The primary suite downstairs? Itâ??s the kind of space you donâ??t just live in â?? you relax in. Dual vanities, a soaking tub, a shower, and his and hers closets that finally give you the space you deserve. No more fighting over shelf space here. This house has all the extras: 3-car garage, two attic spaces for storage or creativity, extended kitchen cabinets for ample storage, water softener for the whole home, and a top-tier security system. Plus, a dedicated home office to handle work or creative projects in peace. Location? Nailed it. Walking distance to Haslet Elementary, Worthington Middle, and the community pool, plus minutes from Alliance shopping, Tanger Outlets, Haslet Park, and all the local favorites. Everything you need, right around the corner. This isnâ??t just a house â?? itâ??s a backyard paradise and a lifestyle all in one. We're creative and aim to make this a fun purchase with affordable options to buy it. Let us know what helps YOU!</p> <p><i>Listing Courtesy of Fieldhouse Realty Group Partners, LLC</i></p>

## About RPR (Realtors Property Resource)

- Realtors Property Resource® is a wholly owned subsidiary of the National Association REALTORS®.
- RPR offers comprehensive data – including a nationwide database of 164 million properties – as well as powerful analytics and dynamic reports exclusively for members of the NAR.
- RPR's focus is giving residential and commercial real estate practitioners, brokers, and MLS and Association staff the tools they need to serve their clients.
- This report has been provided to you by a member of the NAR.

## About RPR's Data

RPR generates and compiles real estate and other data from a vast array of sources. The data contained in your report includes some or all of the following:

- **Listing data** from our partner MLSs and CIEs, and related calculations, like estimated value for a property or median sales price for a local market.
- **Public records data** including tax, assessment, and deed information. Foreclosure and distressed data from public records.
- **Market conditions and forecasts** based on listing and public records data.
- **Census and employment data** from the U.S. Census and the U.S. Bureau of Labor Statistics.
- **Demographics and trends data** from Esri. The data in commercial and economic reports includes Tapestry Segmentation, which classifies U.S. residential neighborhoods into unique market segments based on socioeconomic and demographic characteristics.
- **Business data** including consumer expenditures, commercial market potential, retail marketplace, SIC and NAICS business information, and banking potential data from Esri.
- **School data and reviews** from Niche.
- **Specialty data sets** such as walkability scores, traffic counts and flood zones.

## Update Frequency

- Listings and public records data are updated on a continuous basis.
- Charts and statistics calculated from listing and public records data are refreshed monthly.
- Other data sets range from daily to annual updates.
