The renovations on this luxury home are matchless! Built with integrity, the Z-line six-burner gas range, dishwasher and the stainless built-in drawer microwave positioned in the spacious kitchen island will definitely amaze! The oversized family room sports a recessed linear electric fireplace that will distribute heat throughout the room. And with the flip of a switch, the heat is easily turned off while one still enjoys the aesthetic appearance of the flames from the fireplace without the heat! The open family room & dining area kitchen is perfectly pared for entertaining with an additional bar area that is ideal for feeding crowds. Doing laundry from this room will certainly not feel like a chore with its beautiful view of the backyard and offers loads of storage. The attached covered patio (24â by 32â) is where all of your guest will want to gather. New privacy fence surrounds the backyard and the remaining property sports a small barn. Walking into this home will make one think you are in a newly constructed home. It almost is! Completely renovated from top to bottom wouldn't even describe this 3 bedroom, 2 bath beauty. It starts with its amazing curb appeal (freshly poured driveway just completed. Although the floor plan is definitely an open concept, that description simply doesn't do this home justice. Here are just a few of its wonderful features: new kitchen cabinets, stainless steel sink, new refrigerator, range, microwave and dishwasher, modern granite counter tops, nifty kitchen island, wood flooring, remodeled baths, and the entire home is freshly painted. All new interior doors and woodwork adorn this stunning home. And wait until you see the size of the primary bedroom's closet and bath! All new electrical and plumbing updates, new roof, installation of 8â spray foam open cell insulation in all of the exterior walls and ceilings make this home the perfect selection for your family.

<p>Rarely will one find all of these amenities wrapped into one home, and priced like this one. The keenly open floor plan details the palatial cathedral-ceilinged den that also sports a large fireplace and beautiful custom-built shelving. The spacious breakfast area and kitchen offers spectacular views that allow one to bring part of the outdoors inside. A roomy covered patio just screams of entertaining as well as offering breathtaking views of the wooded area just beyond the property. The views in the back yard of this home will make one feel as if they are living in the country, yet enjoying all the amenities that living in town provides! This brick three-bedroom, two bath home has almost-new vinyl plank wood flooring, almost-new composition-shingled roof and almost-new vinyl trim and gutters. A very pampered home â you wonât find a better buy or a better neighborhood!</p> <p><i>Listing Courtesy of Maddox Realty</i></p>								

## About RPR (Realtors Property Resource)

- Realtors Property Resource® is a wholly owned subsidiary of the National Association REALTORS®.
- RPR offers comprehensive data – including a nationwide database of 164 million properties – as well as powerful analytics and dynamic reports exclusively for members of the NAR.
- RPR's focus is giving residential and commercial real estate practitioners, brokers, and MLS and Association staff the tools they need to serve their clients.
- This report has been provided to you by a member of the NAR.

## About RPR's Data

RPR generates and compiles real estate and other data from a vast array of sources. The data contained in your report includes some or all of the following:

- **Listing data** from our partner MLSs and CIEs, and related calculations, like estimated value for a property or median sales price for a local market.
- **Public records data** including tax, assessment, and deed information. Foreclosure and distressed data from public records.
- **Market conditions and forecasts** based on listing and public records data.
- **Census and employment data** from the U.S. Census and the U.S. Bureau of Labor Statistics.
- **Demographics and trends data** from Esri. The data in commercial and economic reports includes Tapestry Segmentation, which classifies U.S. residential neighborhoods into unique market segments based on socioeconomic and demographic characteristics.
- **Business data** including consumer expenditures, commercial market potential, retail marketplace, SIC and NAICS business information, and banking potential data from Esri.
- **School data and reviews** from Niche.
- **Specialty data sets** such as walkability scores, traffic counts and flood zones.

## Update Frequency

- Listings and public records data are updated on a continuous basis.
- Charts and statistics calculated from listing and public records data are refreshed monthly.
- Other data sets range from daily to annual updates.
