It is summer in Texas, and if you have lived without a pool in your backyard, it is time to change that! It's one of those things where you think it's no big deal to live without a personal pool and you can just rely on neighbor and community pools to entertain and keep you cool BUT then you own one... You simply don't know until you know. Arriving home after hours spent on the ball fields, and jumping in to cool off, or going for a walk with friends to then end sitting and chatting while taking a cool dip, or ending a long day gazing at the sparkling waters and listening to the calming, cascading water fall- it's just as good as you are imagining, probably even better. Having the kids popping in and out all day- burning off energy, strengthening their swim skills, playing outdoors all year long, and you don't have to pack the pool bag, towels, snacks, drinks, toys, sunscreen and plan it all into your day because this setup is the ultimate summer convenience; You are Home. Luckily, you won't have to you compromise on the interior space either. Tall ceilings throughout the home give an airy feel as soon as you enter. 5 bedrooms, with a secondary and primary bedroom on the main level, 4 full baths, an office overlooking the pool, a game room and media room on the second floor, large eat-in kitchen and living room space, 3 car garage and huge walk-in attic providing ample storage, and all of this located on a cul de sac street. Not much more you could ask for, except maybe an award-winning master planned community offering year-round events and boasting amazing amenities such as splash pads, basketball-tennis-pickleball courts, pools, fitness facilities, walk and bike trails, and a town green. Oh yes and also built around a sought-after private golf course in North Texas. Wait, this home offers that too! We aren't kidding when we say this home has so much to offer and is simply waiting on YOU. Your dream is about to become a reality, come see!

This elegant theme continues through the formal dining and casual living areas, which offer a backyard view and a cozy fireplace. The chef's kitchen boasts granite countertops, a stacked stone backsplash, a decorative vent hood, stainless steel appliances, a gas cooktop, and a built-in desk, leading to your breakfast nook that overlooks the backyard, adorned with decorative lighting and crown molding. Bridging the formal and casual spaces is a charming wine cellar with storage, built-in dark cabinets, a chandelier, and a gorgeous decorative door. The relaxing primary suite features a seating area, a wall of windows, a ceiling fan, tile flooring, a tray ceiling, and crown molding. The spa-like primary bath showcases two sinks, a separate shower, a jetted garden tub, and a stunning walk-in closet. There are three additional bedrooms and two baths upstairs, complemented by a large living area and media room with decorative wood wall features and built-in storage. And let's not forget the pièce de résistance: the covered patio and your sparkling pool, surrounded by seating areas for all your gatherings! Lantana is a master-planned golf course community that offers a wide array of amenities, including a clubhouse, community pool, fitness center, golf course, jogging and biking paths, parks, pickleball courts, and tennis courts. The community also hosts various events throughout the year, such as outdoor music presentations, chili cook-offs, festivals, parades, and picnics.</p> <p><i>Courtesy of Ebby Halliday Realtors</i></p>
