<p>Welcome to this Sanger Estates 1 acre custom retreat. This northern suburb location offers the balance of tranquil living while being close to so much. Nothing is needed to move right in. Day or night, you can enjoy resort style outdoor living. Extraordinary is the word to describe the pool, spa, and fire pit combination. Nothing in the area rivals this backyard oasis. No expense was spared to create this outdoor living space. Situated with farmland behind, so no neighbors while you enjoy the backyard. The property has been well maintained with additional updates including a privacy fence, the addition of Propane gas to fuel the pool heater and firepit (which makes a gas kitchen a possibility), and refreshes inside. The lot is a great flat area and the new owner has plenty of space to add a workshop, additional garage for a boat, a sports court, whatever one desires. There is plenty of space to spread out inside this open concept with 4 bedrooms, 3 full bathrooms and a separate office. Split bedrooms allow for privacy in the primary bedroom. The primary is full of light with a large ensuite bathroom with dual vanities, walk in shower and sizeable walk in closet. Dine at the kitchen island or in your large dining room. The kitchen, living, and dining room combination gives you the space to be the host of the party. Want to fish? Be with nature? You are 10 minutes to Lake Ray Roberts Park and Boat Ramp. 15 minutes to enjoy a night out in Denton or to get to one of Texas' leading colleges, University of North Texas. Winstar Casino and Resort is only 25 minutes away. Race fan? You are 30 minutes away from Texas Motor Speedway. Make this your home today!</p> <p><i>Courtesy of Century 21 Mike Bowman, Inc.</i></p>

- Realtors Property Resource® is a wholly owned subsidiary of the National Association REALTORS®.
- RPR offers comprehensive data – including a nationwide database of 164 million properties – as well as powerful analytics and dynamic reports exclusively for members of the NAR.
- RPR's focus is giving residential and commercial real estate practitioners, brokers, and MLS and Association staff the tools they need to serve their clients.
- This report has been provided to you by a member of the NAR.

## About RPR's Data

RPR generates and compiles real estate and other data from a vast array of sources. The data contained in your report includes some or all of the following:

- **Listing data** from our partner MLSs and CIEs, and related calculations, like estimated value for a property or median sales price for a local market.
- **Public records data** including tax, assessment, and deed information. Foreclosure and distressed data from public records.
- **Market conditions and forecasts** based on listing and public records data.
- **Census and employment data** from the U.S. Census and the U.S. Bureau of Labor Statistics.
- **Demographics and trends data** from Esri. The data in commercial and economic reports includes Tapestry Segmentation, which classifies U.S. residential neighborhoods into unique market segments based on socioeconomic and demographic characteristics.
- **Business data** including consumer expenditures, commercial market potential, retail marketplace, SIC and NAICS business information, and banking potential data from Esri.
- **School data and reviews** from Niche.
- **Specialty data sets** such as walkability scores, traffic counts and flood zones.

## Update Frequency

- Listings and public records data are updated on a continuous basis.
- Charts and statistics calculated from listing and public records data are refreshed monthly.
- Other data sets range from daily to annual updates.
