Welcome to 404 Mesa Ranch Ct, a stunning, fully renovated estate nestled on a quiet cul-de-sac in Southlake. With approximately \$1 million in thoughtful, high-end upgrades, this home blends timeless elegance with modern convenience and exceptional craftsmanship. Step inside to all-new wide plank hardwood flooring, freshly textured walls, and a completely repainted interior. The kitchen is a culinary masterpiece featuring a True Residential fridge, Viking Tuscany dual-fuel range with double ovens, Miele and Bosch dishwashers, and a Scotsman nugget ice maker. Adjacent is a new wine bar and coffee station with two Sub-Zero refrigerators and a built-in Miele coffee system. Every bathroom has been remodeled, including a luxurious primary bath with a Kohler hydrotherapy spa tub. The laundry room features floor-to-ceiling vintage tile, a Kohler cast iron sink, and LG appliances. All new quartz countertops are found throughout, with Taj Mahal quartzite featured in the office along with a custom fireplace. Enjoy your own private theater with a Sony 4K projector, Marantz Dolby Atmos system, Klipsch speakers, and heated massage seating—all included. The smart home system offers voice-activated lighting, thermostats, security, and more. Outside, the brand-new custom heated pool and infinity spa offer LED lighting, spa fountains, marble coping, and a Hayward automation system. Entertain in style with a new outdoor kitchen featuring a Lynx grill, stainless cabinetry, and granite countertops. Over 40 new windows, mahogany French doors, and extensive landscaping complete the transformation. Additional features include three new high-SEER HVAC systems, epoxied garage with custom storage, and a fitness studio with iFit treadmill and Lululemon Mirror (to convey with the home). Open enrollment to Carroll ISD available. Luxury, comfort, and technology converge beautifully at 404 Mesa Ranch Ct.

Start the school year in Southlake Carroll ISD on August 12! Large corner cul-de-sac lot. Whether you are a gracious host or a peering parent, the whole backyard is visible from kitchen, living room and master suite. New window glass throughout the home allows natural light to showcase the beautiful new hardwood flooring upstairs and downstairs. Handmade Moroccan tile and quartz countertops surround the new gourmet Thermador oven and 36 inch Thermador gas range with professional grade vent. Two ovens and two microwaves with seating options at the bar, island, casual or formal dining room. Wine fridge, bar and butler area adds a touch of elegance to the formal dining experience. New marble flooring in the laundry and bathrooms complements the countertops and cabinetry. The gas fireplace has a raised hearth and built in bookcases overlooking the pool waterfall. While you are inside cooking, eating, reading or napping you will be close to the joys of the outdoor life by glancing out the windows. The backyard has a new 1800 sq foot patio, extra-large heated diving pool, hot tub, patio, outdoor kitchen, cement basketball court and shaded hammock area. The pool was recently refinished with pebbletech coating, coping and waterfall hot tub. Texas sized BBQ smoker, gas and charcoal grill with custom cement countertops. Patio foundation poured for plans with fireplace and roof, an easy addition. This forever home was loved and maintained with new HVAC, electric panel, roof, insulation, paint, baseboards, doors and frames, dazzling doorknobs, and fixtures. Extra large gameroom! White hand painted limewash used on the exterior to have a beautiful color, without compromising the integrity of the brick with paint. Buy this home, send your kids to award winning Southlake Carroll ISD schools and the bus picks them up from your new front door! It won't last much longer, make an appointment to view today!

Great property for a family who wants to put a little sweat equity to have their dream home in Carroll Schools or an investor who has high end rentals in their portfolio. This home has four bedrooms, 3 baths, 3 living areas as well as a garage apartment at the back of the home. this home is the estate of deceased owners and did have a flood about a year ago that insurance covered and has remedied but the bottom part of one side was not replaced. The property is located at the end of the cul-de-sac and the next-door home recently sold 1.5 million ,but had a larger lot, to build a new home. This area is revitalizing so either for the land or for the home here's your chance in Southlake! All measurements are estimates,

Located in the heart of the highly coveted Cross Timber Hills neighborhood with its charming country atmosphere and no mandatory HOA, this acre plus lot feels spacious, serene, and park-like with its mature trees, a pristine lawn and space for more add-on projects. A two-year project in the making, Ten Bar Trail was reconceptualized with a modern and functional new floor plan, with 90% of this single-story home rebuilt top to bottom using nothing but the finest choices in products and finishes. Very little remains of the original 1984 construction. Daily living has been maximized through efficient space planning while keeping entertaining needs front and center through the ease of flow through the massive kitchen, dining, and great room seating areas. The skyâ??s the limit for additional customization in a large second living area. Perfect for a game or media room space, this area would also suit those who need a multi-generational spaceâ??it's split from the owner's suite and could easily accommodate an additional kitchen and second primary bedroom suite. A home office and a workout room that could also be a fourth bedroom are just off this living area. The spacious laundry wasn't skipped in finish, it's finished as finely as the rest of the home. While accessible through the spare bedroom wing, it also connects to the elegant, custom-built primary closet-which then leads to the primary bedroom and bath quarters. With access to the extended covered patio and beautiful view of the pool and backyard, the primary suite is a relaxing retreat where you'll feel close to nature and be enveloped in elegance. Out back you'll find a four-car garage with an attached art studio complete with sink and custom cabinetry. The art studio and east garage are climate-controlled with Daikin mini split systems, while the west garage is fitted with tons of custom storage cabinets, and the entire building is fully insulated. Lot irrigation is supplied by your own well and storage tank.

Set on a private, north-facing lot in one of Southlake's most desirable pockets, 309 Woodsong Way offers a rare combination: a single-story custom home with architectural character, uncompromising quality, and a layout designed for modern living, all within walking distance to Southlake Town Square and zoned to coveted Carroll ISD. Warm hardwood floors, vaulted ceilings with stained wood beams, and arched architectural details create a timeless interior, while oversized windows bring in soft natural light and serene views of the backyard retreat. The heart of the home is a chef's kitchen anchored by a large granite island, outfitted with Wolf and Subzero appliances and elegant custom cabinetry with glass display fronts. Open to the living and breakfast areas, it's a space equally suited for quiet mornings or gatherings that spill outside. And that transition outdoors? Custom bi-fold doors elegantly open the living area to a covered patio complete with a gas fireplace, built-in grill, beverage fridge, and Phantom screens for year-round enjoyment. Beyond, a Claffey-designed pool and spa with UV and ozone filtration glistens beneath a canopy of mature landscaping creating a private and peaceful experience. Inside, the primary suite is a retreat: spacious, light-filled, with a spa-style bath that includes a frameless glass shower, soaking tub, dual vanities, and a customized walk-in closet. Each of the three secondary bedrooms offers an en-suite bath, and one includes direct access to the patio. The home also features a elegant powder bath, dedicated game room, fully wired media room and a beautifully appointed office with beamed ceilings. Behind the scenes, every essential has been considered: whole-home generator, tornado shelter, air scrubbers, and a five-car garage setup with hydraulic lifts and epoxy floors. This is more than a home with premium finishes. It's a rare offering where comfort, privacy, and design converge in a location that speaks for itself.

There's a quiet rhythm to life on Helmsley Place. Mornings begin with light streaming through plantation shutters, afternoons spill out into tree-lined streets, and evenings wind down beside a glowing fireplace under the stars. In the heart of Shady Oaks—one of Southlake's most beloved neighborhoods—this home feels as if it was always meant to be part of your story. From the moment you walk through the door, there's a sense of welcome. The entry opens into sunlit spaces that stretch out with ease, grounded by warm hardwood floors and a floor plan designed for real life. The kitchen is the kind of place people naturally gather—bright, cheerful, centered around a marble island large enough to hold the laughter of family dinners and the quiet comfort of morning coffee. It opens into a spacious living room, where ceilings rise and light pours in, making even the everyday feel special. Downstairs, the flow is effortless. A charming dining room, a flexible space perfect for a playroom or office, and a tucked-away primary suite create the perfect balance of openness and privacy. The suite itself is generous, peaceful, and just far enough from the hum of the household to feel like a true retreat. Upstairs, you'll find four additional bedrooms, each with their own bath, offer space for everyone to grow and recharge. A game room waits at the center of it all—big enough for movie nights, sleepovers, or ping-pong table. But it's outside where this home truly invites you to linger. Step into the backyard and time slows. A sparkling pool shimmers under mature trees, a wood-burning fireplace crackles in the distance, and thoughtful seating areas make it easy to lose track of the day. It's private here. Peaceful. The kind of space where memories tend to collect without trying too hard. Set in Southlake Carroll ISD and surrounded by a community that feels like home, 704 Helmsley Place isn't just move-in ready—it's ready to be lived in.

About RPR's Data

RPR generates and compiles real estate and other data from a vast array of sources. The data contained in your report includes some or all of the following:

- **Listing data** from our partner MLSs and CIEs, and related calculations, like estimated value for a property or median sales price for a local market.
- **Public records data** including tax, assessment, and deed information. Foreclosure and distressed data from public records.
- **Market conditions and forecasts** based on listing and public records data.
- **Census and employment data** from the U.S. Census and the U.S. Bureau of Labor Statistics.
- **Demographics and trends data** from Esri. The data in commercial and economic reports includes Tapestry Segmentation, which classifies U.S. residential neighborhoods into unique market segments based on socioeconomic and demographic characteristics.
- **Business data** including consumer expenditures, commercial market potential, retail marketplace, SIC and NAICS business information, and banking potential data from Esri.
- **School data and reviews** from Niche.
- **Specialty data sets** such as walkability scores, traffic counts and flood zones.

Update Frequency

- Listings and public records data are updated on a continuous basis.
- Charts and statistics calculated from listing and public records data are refreshed monthly.
- Other data sets range from daily to annual updates.
